

100W/200W Fast Charging Car Charger with USB Type C and QC3.0

Description

Super Fast Charging on the Go

Stay powered up on the road with this 100W/200W fast-charging car charger, perfect for all your devices. Whether you're using a Xiaomi, Samsung, Huawei, or iPhone, this compact charger ensures that you never run out of battery, no matter how far your journey takes you. Designed to fit seamlessly into your car's lighter slot, it offers reliable, high-speed charging that keeps your devices ready whenever you need them.

Power-Packed Features

- **100W/200W Fast Charging:** Experience incredibly fast charging speeds, supporting QC3.0 and PD protocols, allowing you to charge devices in record time.
- **Dual Port Options:** Equipped with both USB and Type-C outputs, so you can charge two devices simultaneously without sacrificing speed or power.
- **Wide Compatibility:** Works with a wide range of smartphones and devices, including Xiaomi, Samsung, Huawei, and iPhone models.
- **Universal 12-24V Input:** Compatible with a variety of vehicles, from cars to trucks, thanks to its flexible voltage range.
- **Compact and Durable Design:** Small enough to fit in your pocket but powerful enough to provide reliable charging wherever you go. The durable casing ensures long-lasting performance.

Why You Need This Car Charger

Whether you're on a long road trip or just commuting to work, this fast-charging car charger is a must-have accessory. No more worrying about your phone battery running low or missing important calls and notifications. The dual-port setup lets you charge two devices at once, meaning your phone and passenger's device can both stay powered. With support for both USB PD and Qualcomm Quick Charge protocols, this charger delivers efficient charging to keep you connected and productive on the

move.

Benefits at a Glance

- Charge two devices at once with USB and Type-C ports.
- Supports 100W/200W fast charging for maximum efficiency.
- Perfect for long trips or daily commutes—never run out of power again.
- Compatible with major smartphone brands, including Xiaomi, Samsung, and iPhone.
- Compact, lightweight, and easy to store, making it perfect for travel.

Power Up Wherever You Go

Don't let a dead battery slow you down. This fast car charger ensures you're always ready, whether you're heading to work, going on a road trip, or running errands around town. Its compact design and universal compatibility make it the perfect travel companion. Keep your devices charged and ready for anything—grab this 100W/200W fast-charging car charger today!
