

12-Cup Stack & Snap Food Mill – Effective 450W Motor, Stainless-steel Blades

Description

Simple And Easy Food Preparation for each Meal

Take the inconvenience out of meal preparation with this **12-cup stack & snap food mill**. Whether you're slicing, slicing, shredding, or pureeing, this effective cooking area buddy makes cooking fast and simple and easy. With a **450-watt motor** and **stainless-steel blades**, it deals with whatever from fresh veggies to difficult cheeses with ease. Created for benefit, its distinct **stack & snap assembly** gets rid of complex locking and twisting, making setup a breeze.

Powerful Efficiency with Basic Controls

With **2 speeds plus pulse control**, you can change the power to fit your requirements, whether you desire a coarse slice or a smooth puree. The **stainless-steel reversible disc** lets you shred on one side and piece on the other, providing you optimal adaptability in the cooking area. The **big 12-cup sealed bowl** avoids leakages and spills, so you can blend liquids without the mess.

Time-Saving Huge Mouth Feed Tube

The **Big Mouth feed tube** permits you to process entire vegetables and fruits, minimizing the requirement for pre-cutting. Invest less time preparing and more time enjoying your meals.

Easy to Utilize, Easy to Clean

- **Stack & Snap Assembly** – No twisting, no locking, simply snap into location.
- **Basic Function Guide** – Clear directions reveal which blade to utilize and which button to press.
- **Dishwasher-Safe Components** – The bowl, cover, and blades are all simple to tidy.
- **Cable Storage** – Keeps counter tops neat and arranged.

Versatile Cooking Area Necessary

- **Chop & Dice** – Perfect for veggies, nuts, and more.
- **Slice & Shred** – Perfect for cheese, carrots, cucumbers, and other active ingredients.
- **Puree & Mix** – Mix active ingredients efficiently for sauces, dips, and child food.
- **Meal Preparation Made Easy** – Conserve time on cooking and baking.

Why Pick This Food Mill?

- **Effective 450-Watt Motor** – Manages difficult active ingredients easily.
- **12-Cup Capability** – Big sufficient for household meals.
- **Reversible Stainless-steel Disc** – Shreds and pieces in one tool.
- **Problem-free Assembly** – No complex setup.
- **Leak-Resistant Style** – Mix liquids without spills.
