

12 Person Instant Cabin Tent

Description

Experience Hassle-Free Camping with the 12 Person Instant Cabin Tent

Get ready to elevate your camping adventures with the 12 Person Instant Cabin Tent. Designed for ease and comfort, this tent features instant pop-up technology, ensuring you can set up your home away from home in just 2 minutes. Perfect for families and large groups, this spacious tent offers ample room, multiple compartments, and robust weather protection, making it the ideal companion for your outdoor escapades.

Instant Setup and Spacious Design

The 12 Person Instant Cabin Tent measures 18 feet by 10 feet and stands 80 inches tall at the center. It comfortably accommodates up to 12 people without gear, or 6 people with gear, ensuring you have plenty of space to move around and enjoy your stay. The tent includes pre-attached poles that lock into place, making setup a breeze. You'll be relaxing with your friends and family in no time, without the usual setup frustrations.

Stay Protected from the Elements

Equipped with H2O Block Technology, this tent offers superior weather protection. The 1200mm water-repellent fabric, fully taped rainfly, and sealed seams ensure you stay dry during rainy weather. The fully zipped windows and included guylines and steel stakes enhance stability, providing resistance against wind and rain, so you can camp with confidence in various conditions.

Versatile and Private Multi-Room Configuration

Transform your camping experience with the tent's included room dividers, which allow you to create up to three separate spaces. This feature is perfect for families or groups wanting a bit of privacy, whether it's for sleeping, changing, or simply having a designated area for your gear. Enjoy the convenience and flexibility of having a multi-room retreat in the great outdoors.

Organized and Comfortable Interior

Staying organized is easy with the tent's built-in storage pockets and gear loft. These thoughtfully placed compartments are perfect for keeping small items like lights, phones, and other camping accessories off the floor and within easy reach. The adjustable ventilation system, featuring lower vents and a mesh ceiling, ensures a comfortable environment by allowing fresh air to circulate and hot air to escape.

Complete Camping Package

Your purchase includes everything you need for a successful camping trip: the tent with pre-attached poles, a rainfly with attached guylines, two room dividers, a gear loft, and tent stakes. Plus, a convenient carry bag makes transportation and storage a breeze. With this all-inclusive setup, you're ready to embark on your next outdoor adventure with ease.

Key Benefits

- Quick and easy 2-minute setup with instant pop-up technology
- Spacious 18' x 10' floor plan with 80" center height
