

120W GaN USB-C Fast Charger with 4 Ports for Laptops, Phones & Tablets

Description

Power Up Faster with the 120W GaN USB-C Fast Charger

Say goodbye to multiple chargers and slow charging times with this powerful 120W GaN USB-C Fast Charger. Designed to keep up with your fast-paced life, this charger features four versatile ports, including three USB-C ports and one USB-A port, allowing you to charge up to four devices simultaneously. With cutting-edge Gallium Nitride (GaN) technology, this charger ensures efficient and reliable power delivery, making it perfect for everything from laptops to smartphones, tablets, and more. Compact and travel-friendly, it's ideal for both home and on-the-go use.

Key Features of the 120W GaN USB-C Fast Charger

This charger is packed with advanced features to enhance your charging experience:

- **120W Max Output:** Quickly charge laptops, tablets, and smartphones with up to 120 watts of power, saving you valuable time.
- **GaN Technology:** Enjoy a faster, more efficient charge thanks to advanced Gallium Nitride technology, which also reduces heat and size.
- **Four Ports:** With three USB-C and one USB-A port, you can charge multiple devices at once without compromising speed.
- **Fast Charging Protocols:** Supports a range of protocols, including USB PD, Qualcomm Quick Charge, and Samsung Adaptive Fast Charge, ensuring compatibility with most devices.
- **Travel-Friendly Design:** Available in US, EU, UK, and KR plug types, making it convenient for international travel.

Effortless Charging for All Your Devices

Whether you're at home, in the office, or traveling, this 120W GaN Charger is a must-have. Designed to charge laptops like MacBook Pro and Air, it also works seamlessly with phones, tablets, and other

gadgets. With the capacity to power multiple devices, it's perfect for busy professionals, students, and travelers who need reliable charging on the go. The charger intelligently allocates power to each port, maximizing charging efficiency and ensuring each device gets the optimal charge.

Why Choose the 120W GaN USB-C Charger?

- **Multi-Device Convenience:** Charge up to four devices at once, keeping your essentials powered without juggling multiple chargers.
- **Super-Fast Charging:** Spend less time charging and more time using your devices with rapid charging capabilities.
- **Compact and Portable:** The charger's small footprint fits easily into bags, making it ideal for travel or commute.
- **Enhanced Safety:** Built with over-current, over-voltage, and short-circuit protection to keep your devices safe while charging.
- **Universal Compatibility:** With support for various fast charging protocols, it works with a wide range of laptops, tablets, and smartphones, including iPhone, Samsung, and more.

Stay Powered Up Anytime, Anywhere

Upgrade your charging setup with this 120W GaN USB-C Fast Charger. Whether you're powering your laptop during a workday or keeping your phone ready for an adventure, this versatile charger is up to the task. Get yours today and experience the convenience of fast, efficient charging for all your devices!
