

1:400 Scale Emirates Airlines A380 B777 Diecast Metal Aircraft Model

Description

Experience Aviation Excellence

Take to the skies with the 1:400 Scale Emirates Airlines A380 B777 Diecast Metal Aircraft Model. Perfect for aviation enthusiasts and collectors, this meticulously crafted replica brings the grandeur of Emirates' iconic aircraft right into your hands. Whether for display or play, this model offers an exceptional blend of realism and quality.

High-Quality Materials

Constructed from premium zinc alloy, this diecast model ensures durability and a lifelike metallic finish. The detailed design captures every aspect of the real Emirates A380 and B777, from the intricately designed wings to the accurate paintwork. The included PVC holder stand provides a stable base for displaying your model with pride.

Perfect for Collectors and Enthusiasts

This 1:400 scale model is an ideal addition to any collection. Measuring 6.3 inches from nose to tail and 5.5 inches across the wingtips, it is perfectly scaled to offer a detailed and compact representation of the Emirates fleet. The model's realistic detail and high simulation make it a must-have for aviation lovers of all ages.

Safety is a top priority with this diecast model, which has passed CPC and CE certification, ensuring it is safe and harmless to humans. It is recommended for ages 18 and up, making it a great gift for adult collectors or a stunning piece for display in any room. Please note that it is not suitable for children under 3 years due to small parts.

Benefits for You
