

## 18K Gold Plated Geometric Cross Hair Connect with Black Elastic Band

### Description

## Ageless Beauty for Everyday and Unique Minutes

Update your hair video game with our spectacular 18K Gold Plated Geometric Cross Hair Tie. Created for ladies who like to mix beauty with function, this elegant hair device includes a streamlined black elastic band coupled with an advanced geometric cross appeal. Crafted from resilient stainless-steel and plated with glamorous 18K gold utilizing sophisticated PVD innovation, this piece guarantees lasting shine and design. Whether you're heading to a wedding event, commemorating an anniversary, or simply styling up for a night out, this hair tie includes a touch of refined glamour to any appearance.

More than simply a hairband, it's a style declaration that catches the charm of minimalism with a classic twist. Its water resistant and anti-scratch style guarantees that your design remains undamaged, no matter the event or the weather condition. Comfy sufficient for all-day wear and strong enough to hold your ponytail safely, this piece is the ideal mix of kind and function.

Suitable for celebrations, unique occasions, or simply raising your everyday clothing, this flexible hair device sets easily with both casual and sophisticated clothing. The mix of gold and black deals a traditional contrast that never ever heads out of design. Plus, it's entirely without lead, nickel, and cadmium—making it safe for delicate skin.
