

2-Gallon Stainless-steel Hand Pump Sprayer with Adjustable Nozzle & Pressure Gauge

Description

Uncomplicated Spraying for Gardening, Cleansing & More

Make spraying much easier and more effective with this **2-gallon stainless-steel hand pump sprayer**. Whether you require to water plants, sanitize surface areas, clean your vehicle, or tidy outside areas, this resilient and flexible sprayer is the perfect tool for the job. Built with a **rust-resistant stainless steel tank**, an **adjustable brass nozzle**, and a **high-precision pressure gauge**, it offers power, precision, and reliability for all your spraying needs.

Durable Stainless Steel Construction

Unlike plastic sprayers that crack and wear over time, this hand pump sprayer is made of **high-quality stainless steel**, ensuring long-lasting durability. Its sturdy design makes it ideal for both home and commercial use, handling a wide range of spraying applications with ease.

Adjustable Brass Nozzle for Customized Spraying

From fine mist to a direct stream, this sprayer's **adjustable brass nozzle** lets you control the water flow for different tasks. Whether you're misting delicate plants or applying a targeted spray, you get the flexibility needed for precision spraying.

Pressure Gauge & Safety Valve for Controlled Use

Equipped with a built-in **pressure gauge**, this sprayer allows you to monitor internal pressure for safe and consistent operation. The **automatic safety valve** releases excess pressure, preventing over-pumping and ensuring secure use at all times.

Easy to Use & Carry

Designed for convenience, this pump sprayer features an **ergonomic handle** and a **bowl-shaped water inlet** for easy filling. The lightweight design and **adjustable shoulder strap** make it portable, so you can take it anywhere with ease.

Versatile Applications for Home & Commercial Use

- **Gardening & Landscaping** – Water plants, apply fertilizers, and treat pests.
- **Cleaning & Disinfecting** – Perfect for sanitizing homes, offices, and outdoor areas.
- **Car Washing** – Easily apply cleaning solutions to your vehicle.
- **Household & Yard Maintenance** – Clean patios, driveways, and windows.
- **Pet Care** – Use for bathing pets or applying treatments.
