

## 20000mAh Quick Charge Power Bank – 22.5W PD USB-C Portable Battery charger for iPhone & Samsung

### Description

## Power Up Anytime, Anywhere with This High-Capacity Portable Charger

Never run out of battery again with this powerful 20000mAh portable charger. Designed for those who need fast and reliable charging on the go, this high-speed power bank is packed with advanced features to keep your devices powered up anytime, anywhere. Whether you're traveling, commuting, or just out for the day, you can count on this power bank to keep your smartphone, tablet, or even AirPods fully charged.

## Blazing-Fast 22.5W Charging for All Your Devices

With the latest **PD3.0 and QC4.0 fast-charging technology**, this portable charger delivers lightning-fast power to your devices. Charge your phone up to **61% in just 30 minutes**, giving you more time to stay connected and less time waiting around.

## Three Devices at Once – Ultimate Convenience

Why charge one device at a time when you can power three? This portable battery pack features **one USB-C port and two USB-A ports**, allowing you to charge multiple devices simultaneously. Perfect for families, friends, or anyone juggling multiple gadgets throughout the day.

## Compact Yet Powerful – Ideal for Travel and Everyday Use

Despite its massive **20000mAh battery**, this power bank is designed to be compact and portable. Measuring only **5.3 x 2.8 x 1 inches** and weighing just **12.8 oz**, it fits easily in your bag, making it the

perfect travel companion.

## Advanced Safety Features for Worry-Free Charging

Stay protected with a cutting-edge **Smart Protect System** that monitors your device's battery health in real-time, preventing overheating, overcharging, and short circuits. With airline-approved safety standards, you can take this power bank anywhere with confidence.

## Key Benefits of This High-Performance Power Bank

- **Massive 20000mAh Capacity:** Provides multiple charges for smartphones, tablets, and other USB-powered devices.
- **22.5W Ultra-Fast Charging:** Power up your devices in record time with PD3.0 and QC4.0 fast-charging technology.
- **Triple Device Charging:** Charge up to three devices at once with USB-C and dual USB-A ports.
- **LED Digital Display:** Always know how much power you have left with a clear, easy-to-read screen.
- **Airline-Approved & Travel-Friendly:** Compact and lightweight design makes it perfect for travel.
- **Built-In Flashlight:** Ideal for emergencies, camping, or nighttime use.
- **Universal Compatibility:** Works with iPhones, Samsung Galaxy, iPads, AirPods, and many more devices.

## Stay Charged Wherever You Go – Order Yours Today!
