

26Kpa Corded Stick Vacuum with LED Flooring Head for Carpet and Hard Floors

Description

Powerful Cleansing Efficiency

Make cleaning up a breeze with the 26Kpa corded stick vacuum. Geared up with a next-generation 600W motor, this vacuum provides an effective 26,000Pa cyclonic suction to easily get dirt, particles, and family pet hair from any floor type. Whether you're cleaning carpets, hardwood, or tiled floors, this vacuum ensures a deep, thorough clean that other vacuums can't match. Say goodbye to dust bunnies and hello to a cleaner, fresher home with the TASVAC I7.

Key Features

- **Unmatched Suction Power:** With 26,000Pa cyclonic suction, this vacuum captures even the finest dirt and debris, ensuring a spotless home.
- **LED Motorized Floor Head:** The motorized V-shaped floor head comes with four bright LED lights, so you can easily spot and eliminate dirt in dimly lit areas. No more missing hidden dust in corners or under furniture!
- **Multi-Purpose Versatility:** With a 2-in-1 crevice tool that converts into a handheld vacuum, this cleaner is perfect for all areas of your home, from stairs to sofas to upholstery. Tackle family pet hair, tight spaces, and hard-to-reach corners effortlessly.
- **Efficient Hair Removal:** The rubber strip roller ensures no hair tangling, making it especially useful on hard floors, low-pile carpets, and medium-depth carpets.
- **Constant Power Supply:** Enjoy unlimited cleaning time with the corded design. No need to worry about running out of battery mid-cleaning, making it perfect for large spaces.
- **Compact and Lightweight:** Weighing less than 6kg, this vacuum is easy to maneuver and store, offering the perfect balance of power and convenience.
- **Easy Dust Disposal:** The dustbin has a capacity of 0.6-1L and features a bagless design, so you can easily empty it without the hassle of replacing bags.

Why Choose This Vacuum?

The TASVAC I7 corded stick vacuum offers everything you need for efficient, effortless cleaning. Its powerful 26Kpa suction is ideal for tackling dirt and particles on all floor types, including hard floors and carpets. The LED motorized floor head with bright lights helps you see and clean every spot, even in dark corners. The added benefit of a 2-in-1 crevice tool makes it easy to clean stairs, furniture, and upholstery, ensuring your home is dust and family pet-hair free.

Unlike battery-powered vacuums that require constant recharging, this corded vacuum provides unlimited cleaning up time, making it a best choice for larger homes or deep cleansing sessions. The rubber strip roller is designed to prevent hair from tangling, making it ideal for homes with pets. Plus, its lightweight and compact style makes storage easy, while its powerful suction delivers the performance you requirement.

If you're looking for a vacuum that combines power, versatility, and convenience, look no further. The TASVAC I7 is the best solution for a cleaner, fresher home. Get yours today and enjoy a new level of cleansing performance!
