

3-in-1 Adjustable Car Cup Holder & Phone Mount with Drink Bottle Holder

Description

Maximize Your Car's Space with This 3-in-1 Cup Holder

Upgrade your driving experience with this 3-in-1 Car Cup Holder and Phone Mount. This multifunctional accessory combines a cup holder, a mobile phone mount, and an organizer into one compact design, ensuring that your essentials are always within reach. Perfect for long drives, road trips, or your daily commute, it allows you to securely hold your drinks, phone, and other small items, reducing distractions and keeping your car clutter-free. With its 360-degree adjustable swivel, this holder is the perfect companion for any driver looking for convenience and comfort on the road.

Universal Fit for Every Vehicle

Designed to fit most vehicles, this versatile car accessory features an adjustable base that securely fits into any standard car cup holder. It can hold cups and bottles with diameters ranging from 2.5 to 3.8 inches, making it suitable for a variety of beverages. The phone mount is equally adjustable, accommodating mobile devices between 6.5 and 10.5 inches. Whether you're navigating with GPS, enjoying hands-free calls, or simply need quick access to your phone, this mount provides easy and safe access without taking your eyes off the road.

360° Adjustable for Maximum Flexibility

The 360-degree rotating phone mount ensures that you can adjust your device to the perfect viewing angle. Whether you need your phone in portrait or landscape mode, this mount makes it easy to position your screen exactly where you want it. The articulating arm allows for even more flexibility, making it simple to adjust the entire setup to suit your needs while driving.

Durable and Space-Saving Design

Made from high-quality, wear-resistant ABS plastic, this 3-in-1 car holder is built to last. Its sleek, compact design helps to save space, keeping your vehicle organized and clutter-free. With no tools required for installation, it easily fits into your car's existing cup holder, making it both a convenient and time-saving solution for anyone on the go.
