

3-in-1 Ultrasonic Humidifier Essential Oil Diffuser & Nightlight

Description

Calming Comfort for Your Child's Sleep

Transform your child's bedtime into a peaceful experience with the 3-in-1 Ultrasonic Humidifier, Essential Oil Diffuser, and Nightlight. This all-in-one device creates a soothing atmosphere by combining the benefits of cool mist humidification, aromatherapy, and a calming nightlight to help your little one drift off to sleep. Whether your child is battling a stuffy nose or simply needs a comforting sleep environment, this humidifier has you covered with a 24-hour runtime and an easy-to-use design.

Personalized, All-Night Comfort

This ultrasonic humidifier features a 0.6-gallon capacity that runs for up to 24 hours, ensuring your child stays comfortable throughout the night without the need for constant refilling. The variable humidity control allows you to customize the mist output to suit your child's specific needs, whether it's adding moisture to the air to ease coughs or diffusing essential oils for calming scents. For added comfort, it's also compatible with VapoPads, bringing the soothing scent of Vicks into the room with every use.

Whisper-Quiet and Easy to Use

Designed with parents in mind, the 3-in-1 Sleepy Time Humidifier operates quietly, so it won't disturb your child's sleep. The tank is easy to grip and refill, and there's no need for a filter, making it simple to maintain. Plus, the color-changing nightlight provides a soft glow, creating a comforting ambiance for your child's room. This compact, tabletop humidifier is ideal for rooms up to 100 sq ft, making it perfect for nurseries, bedrooms, or playrooms.
