- **5-Layer Filtering System** catches 99.99% of great dust, making sure cleaner air quality.
- **2 Tailored Roller Brushes** for ideal cleansing on both carpets and difficult floorings.
- **One-Button Dust Empty** makes it simple and hassle-free to clean the dustbin.

Benefits of Using This Cordless Vacuum

This vacuum cleaner is designed with efficiency and convenience in mind. Whether you need to vacuum your carpets, hardwood floors, or any other surface, the **30Kpa suction power** ensures deep cleaning in every room. The **4 adjustable suction modes** give you full control, whether you're

cleaning up light dust or tackling stubborn dirt. Plus, with the **LED display**, you can quickly check the battery level and suction settings, making it easier than ever to manage your cleaning sessions.

One of the standout features of this vacuum is its **smart adjustment system**, which automatically detects the type of surface you're cleaning and optimizes the suction strength. This feature ensures a thorough clean without any guesswork, whether you're on hardwood, tile, or carpet. The **anti-entangled design** prevents hair and debris from wrapping around the roller, making maintenance a breeze.

With a long-lasting **55-minute runtime**, this vacuum lets you clean your entire home without worrying about recharging. The **5-layer filtration system** ensures that the air in your home stays fresh by capturing 99.99% of fine dust and allergens, making it ideal for people with allergies.

Ideal for Every Cleaning Task

This vacuum is perfect for all households, especially those with pets, children, or anyone who wants a deep clean without the hassle of cords. The **flexible LED light brush head** and **edge cleaning design** allow you to reach and clean areas that are often neglected, such as under furniture and along walls.

If you're looking for a high-performance, simple-to-use, and reliable vacuum that does it all, this cordless vacuum cleaner is the perfect choice. Clean smarter, not harder!
