

3D Skull Ice Tray

Description

Make Your Drinks Stand Apart with Special Skull-Shaped Ice

Take your beverages to the next level with the **3D Skull Ice Tray**, created to include an enjoyable and distinct twist to your drinks. Whether you're hosting a themed celebration, commemorating Halloween, or simply wish to impress your good friends, this skull-shaped ice tray is the ideal method to develop remarkable minutes. With its four-grid style, you can craft 4 skull-shaped ice simultaneously, ideal for cooling scotch, mixed drinks, or any beverage you want.

Food-Grade Silicone for Safe & Resilient Usage

Crafted from **food-grade silicone**, this tray makes sure security and toughness, making it ideal for usage in the cooking area. Unlike standard plastic molds, silicone is versatile and lasting, making it easy to release the ice cubes without breaking or cracking. You can safely use this tray in the refrigerator, microwave, or even the dishwasher for easy cleaning.

Fun & Functional Design for Every Occasion

The **3D skull design** adds an exciting touch to your beverages. Perfect for parties, festivals, or casual nights, these skull ice cubes will impress your guests and add a creepy cool vibe to your drinks. Whether you're enjoying whiskey, cocktails, or non-alcoholic beverages, these ice cubes will keep your drinks colder for longer while offering a fun visual appeal.

Simple to Use and Versatile

Using the skull ice cube tray is as easy as 1-2-3. Simply cover the tray with the lid, pour your chosen liquid—whether it's water, whiskey, cocktail mix, or even chocolate—using the included funnel, and

place it in the freezer. After freezing, pop out the perfectly shaped skull ice cubes with a gentle push. This tray is not just for ice; it's also perfect for making ice cream, chocolate, mousse, or even cake!
