

4-Digit Anti-Theft Bicycle Lock

Description

Keep Your Bike Secure Anywhere

Protect your bike with confidence using this 4-digit code anti-theft bicycle lock. Designed to safeguard your ride, this lock features a durable 120 cm steel cable that offers high-level security and resistance against cutting or tampering. Whether you're parking your bike in a busy city or locking it up outside during your daily commute, this bike lock ensures peace of mind.

Durable and Easy to Use

Built for strength, this lock's high-quality steel cable is designed to withstand forceful attacks, providing exceptional protection against theft. The 4-digit combination code is easy to set and reset, giving you over 10,000 possible combinations for maximum security. Its chain design allows for flexible locking, perfect for securing your bike to a variety of structures such as bike racks, poles, or fences. Plus, its lightweight and compact size make it easy to carry in your backpack or attach to your bike frame for convenience.

Key Features

- 120 cm steel cable provides strength and flexibility for securing your bike.
- 4-digit code offers over 10,000 combinations, ensuring maximum security.
- Anti-theft design made from high-grade steel for ultimate protection.
