

4-in-1 Baby Bath Toys with Sunflower Shower & Water Spray Sprinkler Set

Description

Make Bath Time a Fun Adventure with 4-in-1 Baby Bath Toys

Turn bath time into a playful and soothing experience with the 4-in-1 Baby Bath Toys Set. Designed for toddlers, this delightful set combines fun and functionality to make your child's bath routine exciting. With a soft-flow sunflower shower and three unique water spray sprinklers, your baby will be entertained while you wash them with ease. The gentle shower head allows you to clean your little one without harsh water pressure, while the colorful water spray toys attract their attention, keeping them engaged and happy throughout bath time.

Features

- **4-in-1 Bath Toy Set:** Includes a sunflower shower and three water spray toys – rotating duck, cloud spray, and crown spray – for endless bath-time fun.
- **Soft Water Flow:** The sunflower shower head gently sprinkles water, making it safe and comfortable for babies, perfect for washing delicate areas like the head and neck.
- **Easy to Operate:** Simple press-and-go function with three modes for convenient control – shower mode, spray mode, or both combined.
- **Powerful Suction Cups:** Sturdy suction cups allow easy attachment to any smooth surface, ensuring stability and flexibility during use.
- **Durable and Flexible Design:** Bendable hose rotates 360°, ensuring you can direct the water exactly where you need it.

Why Choose This 4-in-1 Bath Toy?

- **Encourages Interactive Play:** The colorful design and playful water effects capture your baby's attention, turning bath time into a fun-filled adventure.
- **Safe for Babies:** The soft-flow shower head is specifically designed for your baby's delicate skin, making bath time soothing and comfortable.

- **Simple for Parents:** With an easy-to-use press function and flexible hose, you can wash your baby with minimal effort, while still keeping them entertained.
- **Perfect for Toddlers:** Recommended for children ages 3 and up, this bath toy helps develop sensory skills and hand-eye coordination while playing in the water.
- **Secure Installation:** The strong suction cups attach securely to any smooth surface, ensuring the toy stays in place throughout bath time.
