When to Use

This bamboo feeding set is ideal for introducing solid foods to your baby from 7 months and up. It's perfect for everyday use during breakfast, lunch, and dinner, helping your child learn to eat independently with the spoon and fork. The suction plate and bowl ensure stability, minimizing spills and messes during mealtime.

Why This Set is Special

What sets our Bamboo Baby Feeding Set apart is its combination of functionality, safety, and playful design. The natural bamboo material is not only gentle on your baby's delicate gums but also sustainable and environmentally friendly. Each piece is carefully crafted to be the perfect size for little hands, making self-feeding a fun and rewarding experience. The cute cartoon designs add a touch of whimsy, encouraging your child to look forward to mealtime.
