

4K 8MP Wi-Fi 6 Security Camera

Description

Experience Unmatched Home Security

Keep your property safe and secure with the 4K 8MP Wi-Fi 6 Security Camera, designed for reliable outdoor surveillance. With an ultra-sharp 8MP resolution, smart detection capabilities, and dual-band Wi-Fi, this camera provides exceptional monitoring for your home or business. Equipped with advanced features like person, vehicle, and pet detection, as well as color night vision, this camera offers superior security, even in low-light conditions. Whether you're home or away, you can monitor live footage, receive instant alerts, and ensure your property is fully protected with real-time precision.

With a 100° wide viewing angle, this camera captures everything in stunning 4K Ultra HD. The built-in infrared night vision extends up to 30 meters (100 feet), giving you a clear view even after dark. Designed to withstand the toughest weather conditions, the IP67 waterproof rating ensures this camera performs well in rain, heat, or cold. With support for Alexa and Google Assistant, voice control is easier than ever, allowing you to monitor your home with simple commands. This security camera is perfect for outdoor use, providing peace of mind with every angle covered.

Product Features

- 8MP 4K Ultra HD resolution for crystal-clear video quality
- Wi-Fi 6 technology for faster, more stable wireless connectivity
- Smart person, vehicle, and pet detection to reduce false alarms
- Infrared night vision with a range of up to 30 meters (100 feet) for clear nighttime footage
- Color night vision with integrated spotlights for enhanced security after dark
- IP67 waterproof rating ensures durability in all weather conditions
- Supports 2.4GHz and 5GHz Wi-Fi networks for flexible installation options
- Built-in microphone and speaker for two-way audio communication
- Supports microSD storage up to 256GB, Reolink NVR, or FTP for video storage
- Compatible with Alexa and Google Assistant for hands-free control

Why You'll Love This 4K Security Camera

- **Unparalleled Clarity:** With 8MP 4K resolution, this camera delivers incredible video quality, ensuring every detail is captured clearly.
- **Smart Detection:** Advanced AI technology identifies people, vehicles, and pets, minimizing false alarms and focusing only on real threats.
- **Enhanced Night Vision:** Equipped with infrared and color night vision, the camera offers excellent performance, even in complete darkness.
- **Weatherproof & Durable:** The IP67 waterproof rating means this camera can handle all types of weather, ensuring reliable protection year-round.
- **Flexible Storage Options:** Store recordings on a microSD card, NVR, or FTP server—choose the option that suits your needs best.
- **Two-Way Communication:** Use the built-in microphone and speaker to communicate with visitors or deter intruders in real-time.
- **Voice Control:** Easily control your camera with Alexa or Google Assistant, making home monitoring even more convenient.
