

5-in-1 Rechargeable Epilator & Lady Shaver for Full-Body Hair Removal

Description

Efficient and Long-Lasting Hair Removal

Achieve smooth, silky skin effortlessly with our 5-in-1 Rechargeable Epilator & Lady Shaver. Designed to provide long-lasting results, this powerful epilator uses advanced micro-grip tweezers to remove even the finest 0.5mm hairs from the roots. The high-speed rotation ensures a clean and precise hair removal experience, leaving your skin feeling soft for weeks after just one use. Say goodbye to daily shaving and hello to a smooth, radiant body!

5-in-1 Multifunctional Hair Removal Kit

This versatile hair removal device comes with 5 interchangeable heads, making it an all-in-one beauty tool. The epilator head effectively removes hair from legs, arms, and sensitive areas, while the shaver head delivers a close, comfortable shave. The callus remover head is perfect for keeping your feet soft and smooth. A facial brush head gently exfoliates your face, and the facial massage head helps rejuvenate your skin. You can enjoy the luxury of a full-body care routine with just one tool!

Wet & Dry Use with Cordless Convenience

Designed for flexibility, this epilator can be used on both wet and dry skin, allowing you to incorporate it into your shower routine for added convenience. Its waterproof design makes it easy to clean under running water. The cordless, rechargeable feature offers up to 90 minutes of continuous use, ensuring you have enough time to care for every part of your body. Whether you're at home or traveling, this compact device is your go-to solution for hair removal.

How to Use for Best Results

For optimal hair removal, use the epilation head at a 90-degree angle against the direction of hair growth. When using the shaver head, hold the straight blade at a 45-degree angle for short hair and the foil blade at a 60-degree angle for a closer shave. You can also trim the hair shorter before epilating for better efficiency.
