

## Adjustable Cat Window Bed with 2-Sided Cushion

### Description

## Give Your Cat the Perfect Perch!

Elevate your feline friend's lounging experience with our Adjustable Cat Window Bed. Designed to provide your cat with a cozy spot to relax and observe the world outside, this spacious perch measures 21.65" x 13.78" and supports up to 39.68 lbs, making it ideal for a large cat or even two smaller kittens. Whether it's sunny days or rainy afternoons, this window bed is perfect for every occasion, ensuring your pet has the best view in the house!

## Key Features of the Cat Window Bed

- **Multi-Scene Application:** Unlike traditional suction cup window hammocks, our cat window bed is versatile and easy to install in various settings. Each perch includes a double-sided detachable cushion that's perfect for any season.
- **Original Design:** Constructed from extra thick PVC material, our perch offers superior stability and reliability. It can hold weights up to 18kg, making it suitable for larger cats or even two small kittens.
- **Quick Installation:** With simple instructions, you can set up the cat hammock bed in under 10 minutes. The adjustable support legs ensure stability, giving you peace of mind that your cat will be safe.
- **Viewing Platform:** Cats love to observe their surroundings, and this window perch provides a secure and comfortable platform for them to do just that.
- **Easy Relocation:** The large window perch can be moved between windows or different areas without disassembly—just adjust the support legs for quick relocation.
