

Adjustable Elevated Slanted Pet Feeding Bowl with Bamboo Stand

Description

Give Your Pets the Comfort They Deserve with an Adjustable Elevated Feeding Bowl

Make mealtime easier and more comfortable for your furry companions with this Adjustable Elevated Slanted Feeding Bowl, perfect for both cats and small dogs. This thoughtfully designed feeding station features a bamboo stand with six adjustable height options and two angles—15° tilted and flat—to ensure that your pets can enjoy their meals in a natural, stress-free position. Whether you have a growing kitten, an adult cat, or a small breed dog like a French bulldog, this elevated bowl provides a healthier and more ergonomic feeding experience.

Premium Quality Materials for Your Pet's Safety

Crafted with high-quality materials, this pet feeder combines functionality and durability. The bowls are made from food-grade 304 stainless steel, which is not only rust-free and non-leaching but also dishwasher safe for easy cleaning. Paired with a sturdy bamboo stand that's eco-friendly and naturally water-resistant, this feeder is built to last and support your pet's daily needs.

Perfect for Flat-Faced Breeds and Small Pets

The unique slanted design of the bowls is ideal for flat-faced and short-nosed breeds such as French bulldogs, pugs, and Boston terriers. The tilted angle reduces strain on their neck, shoulders, and joints, allowing them to eat and drink without discomfort. This design also helps prevent issues like bloating and indigestion, making it perfect for pets prone to digestive problems.

Benefits of the Adjustable Elevated Slanted Feeding Bowl

- Reduces neck, hip, and joint strain with a 15° tilted design
- Adjustable height with 6 different levels to suit pets of all ages
- Helps prevent bloating, indigestion, and gas buildup
- Durable, rust-free 304 stainless steel bowls that are easy to clean
- Eco-friendly bamboo stand that is sturdy and naturally water-resistant
- Detachable stand for easy storage and portability
- Anti-slip silicone feet prevent movement and protect floors

Easy to Assemble and Perfect for Any Home

Setting up this feeding station is quick and simple—no tools required! The stand comes with 3 wooden boards and 2 corks that easily snap together to create a sturdy feeding area for your pet. The compact and detachable design also makes it convenient to store and travel with. Plus, with its sleek bamboo finish and minimalist design, this feeding station complements any home décor.

Make Mealtime Comfortable and Enjoyable

Give your pets the comfort they need with this Adjustable Elevated Slanted Pet Feeding Bowl. It's not just a bowl—it's a thoughtful way to support your pet's health and well-being. Invest in a feeding station that grows with your pet, reduces strain, and enhances digestion.

Make the switch today and watch your pet enjoy every meal with ease and comfort!
