

Adjustable Folding Pet Ramp

Description

Help Your Pets Reach New Heights with the Adjustable Folding Pet Ramp

Ensure your pets can comfortably and safely access high surfaces with the Adjustable Folding Pet Ramp. Designed with both small and large pets in mind, this 47.2-inch long ramp provides a secure and sturdy path for your pets to climb onto beds, sofas, or into vehicles. Ideal for senior pets, small breeds, or pets recovering from injuries, this ramp offers convenience and accessibility while protecting your pet's joints from the strain of jumping.

Crafted from premium pine wood, the ramp is highly durable and can support pets weighing up to 250 lbs. The ramp features a non-slip rubber carpet with grooves and 7 crossbars to prevent slips, ensuring your pets feel confident while climbing. With six adjustable height settings, you can customize the ramp to perfectly match the height of your bed or couch. When not in use, the ramp folds flat for easy storage, making it a practical and space-saving solution for any home or vehicle.

Key Features

- **High-Traction & Non-Slip Surface:** The ramp features a rubberized surface with grooves and 7 crossbars for extra grip, preventing pets from slipping while climbing.
- **Durable Pine Wood Construction:** Made from solid pine wood, this ramp is exceptionally sturdy and capable of supporting pets up to 250 lbs.
- **6-Level Adjustable Height:** Easily adjust the ramp's height between 13.8" and 27.6" to match various surfaces like beds, sofas, or vehicles.
- **No Assembly Required:** The ramp comes fully assembled and ready to use right out of the box. Simply unfold and set it up in seconds.
- **Foldable for Easy Storage:** The ramp folds flat for compact storage, making it easy to store

under a bed, sofa, or in the trunk of your car when not in use.

- **Portable Design:** Equipped with a side handle, this ramp is lightweight and easy to carry, perfect for both indoor and outdoor use.

Benefits of the Adjustable Folding Pet Ramp

- **Pet-Friendly Access:** Perfect for older pets, small breeds, or pets with mobility issues, allowing them to climb safely without jumping.
- **Protects Joints:** Helps to prevent joint strain or injury in pets, particularly beneficial for pets recovering from surgeries or with arthritis.
- **Customizable Height:** The adjustable height settings make it versatile for use with various furniture or vehicles, giving your pets easy access wherever they need it.
- **Space-Saving Design:** Foldable and compact, this ramp is easy to store and carry, making it ideal for small living spaces or for use on the go.
- **Sturdy & Reliable:** Built to last with high-quality materials, this ramp ensures long-term use for your pets' safety and comfort.

Give Your Pet the Comfort and Ease They Deserve
