

Adjustable Steel Back Scratcher

Description

The Perfect Tool for Reaching Every Itch

Say goodbye to those hard-to-reach itches with the Adjustable Steel Back Scratcher. Whether you're dealing with a bothersome itch or looking to give yourself a soothing back massage, this handy tool makes it easier and more comfortable than ever. With its telescopic handle that extends up to 27 inches, you can easily reach any spot, while its compact design allows you to retract it down to just 8 inches—perfect for travel or keeping in your bag or car. Made of durable stainless steel with a comfortable rubber grip, this back scratcher is designed to last and provide relief whenever you need it.

The back scratcher's metal claw is smooth and polished, so it won't scratch or irritate your skin while still delivering satisfying relief. It's the ultimate solution for anyone struggling to reach the middle of their back, and it's great for people of all ages, especially those with limited mobility. Plus, you can use it for more than just scratching—it's also a handy massage stick that can ease tension in hard-to-reach areas and provide light exfoliation, helping to keep your skin healthy and smooth.
