With a generous 3.5L capability for both food and water, this feeder is ideal for hectic animal owners who wish to guarantee their furry good friends are well-fed and never ever thirsty. Including an automated refill system, this ingenious feeder makes feeding your feline or canine simple, hassle-free, and sanitary. Perfect for both felines and pet dogs, it's a must-have for pet owners who want to simplify their pets' feeding routine.

Key Features

- **Large Capacity:** With a 3.5L capacity for both food and water, this feeder ensures your pet is well-fed and hydrated, even during your busy days.
- **Automatic Refill System:** Using the siphon principle, this feeder automatically refills water and food, ensuring your pet always has access to fresh supplies.
- **Hygienic Design:** The seal paste design keeps food fresh by preserving its original taste, while the automatic water refill maintains cleanliness and prevents contamination.
- **Pet-Safe Materials:** Made from mother and baby grade HIPS and PET materials, this feeder is safe, non-toxic, and designed to protect your pet's health.
- **Easy to Clean:** The detachable design makes cleaning a breeze, ensuring your pet's feeding station stays hygienic with minimal effort.
- **Non-Slip Base:** The anti-slip base keeps the feeder securely in place, preventing spills and tip-overs, even during enthusiastic feeding sessions.
- **Convenient and Easy to Use:** This feeder is simple to install and easy to operate, making feeding your pet a hassle-free experience.

When to Use

This automatic feeder is perfect for daily use, whether you're at home or away. Ideal for cats, pet dogs, or any other small pets, it automatically replenishes water and food, ensuring your animal is always cared for. The large capacity makes it great for busy pet owners who wish to keep their pets hydrated and fed without constantly refilling the bowl. Whether you're at work or traveling, this feeder provides peace of mind by keeping your pet's feeding routine consistent and stress-free.

Why It's Special

What sets this automatic pet feeder apart is its unique combination of convenience, hygiene, and safety. The automatic refill system ensures your pet always has access to fresh water and food without constant attention from you. Its hygienic design preserves the quality of food and water, while the non-slip base keeps everything in place, preventing spills. Plus, it's made with safe, high-quality materials, so you can trust it to take care of your pet. Its easy-to-clean, detachable parts make maintenance a breeze, keeping your pet's feeding area clean and sanitary.
