

Baby Swim Ring Tube Inflatable Seat

Description

Make Pool Time Fun and Safe for Your Little One

Transform your child's pool experience with our Baby Swim Ring Tube Inflatable Seat. Designed to provide both safety and fun, this swimming ring is perfect for kids aged 1-5 years old, supporting up to 55 pounds. Whether it's a day at the pool or a family beach vacation, this inflatable seat ensures your little one can enjoy the water with confidence and joy.

High-Quality Features for Ultimate Safety

Our Baby Swim Ring is crafted from 0.28mm environmental PVC, a material known for its durability and resistance to tearing. The cotton pocket seat and double handle design provide added stability and comfort, ensuring your child feels secure while floating. The seamless edge sealing and smooth inner ring are gentle on the skin, eliminating the risk of abrasions. Plus, the crystal nozzle features an internal and external double anti-leakage design, offering peace of mind even if the outer air nozzle is accidentally opened.
