

Battery-Powered Knapsack Sprayer with Cart – 4 Gal, Adjustable Pressure, Multi-Nozzle

Description

Uncomplicated Spraying for Gardening, Cleansing & More

Bid farewell to manual pumping and hi to benefit with this **battery-powered knapsack sprayer with cart**. Developed for supreme ease and effectiveness, this sprayer lets you take on weeding, gardening, cleansing, and sanitizing with very little effort. Including an adjustable pressure system, numerous nozzles, and a big 4-gallon tank, it provides an exact, undisturbed spray for approximately 4 hours on a single charge. Whether you use it as a knapsack or roll it on its strong cart, this sprayer is developed to deal with any task with ease.

Powerful & Long-Lasting Efficiency

Forget the inconvenience of continuous pumping. This electrical sprayer is powered by a **7.2Ah rechargeable battery**, supplying approximately **4 hours of constant spraying**. With an adjustable pressure variety from **0 to 94 PSI** and an optimum circulation rate of **0.95 gallons per minute**, you get effective and constant protection for all your spraying requirements.

Versatile Nozzles & Wands for every single Job

With **6 various nozzles** and **2 spray wands**, this sprayer adapts to a large range of applications. The **adjustable metal wand** extends from **21 to 39 inches** for exact spraying, while the resilient plastic wand is best for managing bleach and other strong chemicals. Whether misting fragile plants or using a targeted spray, you have the versatility to do the job right.

Knapsack & Cart Combination for Optimum Convenience

Developed with user convenience in mind, this sprayer functions **large, cushioned shoulder straps**

for simple knapsack wear. When bring gets tiring, just change to the **rolling cart with an adjustable deal with** and maneuver easily over any surface. No more heavy lifting—simply smooth, problem-free spraying.

Convenient & User-Friendly Functions

- **Wide Mouth Cover** – Makes filling up fast and spill-free.
- **Integrated Filter Screen** – Avoids particles from blocking the sprayer.
- **Clear Tank** – Quickly display liquid levels with gallon markers.
- **Lockable Deal With** – Spray continually without holding down a button.

Perfect for Several Usages
