

Bluetooth Wireless Earbuds with 60H Playback, LED Display, and 4 ENC Microphones

Description

Enjoy Immersive Sound with 60H Playback and LED Display

Discover the perfect blend of performance and convenience with these Bluetooth Wireless Earbuds. Offering an incredible 60 hours of total playback time, these earbuds are ideal for anyone who values long-lasting battery life. The sleek LED power display shows real-time charging levels for both the earbuds and the case, making it easy to know when you're running low. Whether you're working out, commuting, or simply relaxing, these earbuds will keep you immersed in your favorite tunes or calls.

Perfect for Active Lifestyles with IPX7 Waterproof Rating

These wireless earbuds are designed to fit seamlessly into your busy, active life. Rated IPX7 waterproof, they're built to withstand sweat and rain, making them perfect for sports, workouts, and outdoor activities. Don't worry about unexpected splashes or intense workout sessions—these earbuds can handle it all. The comfortable, ergonomic in-ear design ensures they stay secure, no matter how intense your activities get.

Key Features and Easy Pairing

The earbuds feature a one-step pairing function, so once you've connected them to your device, they'll automatically connect every time you open the case. This user-friendly design makes them perfect for on-the-go use. The touch control lets you easily switch tracks, adjust volume, or answer calls—all without needing to reach for your phone.

Superior Sound and Clear Calls

With 4 ENC microphones and noise-reduction technology, these earbuds deliver crystal-clear phone

calls, even in noisy environments. The 13mm drivers provide deep bass, clear mids, and stunning treble, ensuring an immersive audio experience. Whether you're listening to music or taking a call, you'll enjoy premium sound quality that enhances every moment.
