FAQs

How do I clean this seat organizer?

Wipe it with a damp cloth or hand wash with warm water and mild detergent.

What sizes of bottles and glasses can I store in the side pockets?

These pockets hold bottles and glasses up to 1 liter.

Does this seat back organizer affect the size of the legroom?

No, it doesn't – even if you fill up all the pockets.

Do I have to fasten all three attachment straps to secure this car organizer?

No, you can only attach the headrest and backrest straps. If you don't have any place to secure the

bottom strap, these two attachments will be enough.
Can I use my tablet while it's in the pocket?
Yes, the TPU pocket is designed to be touch-friendly.
