Built to Last

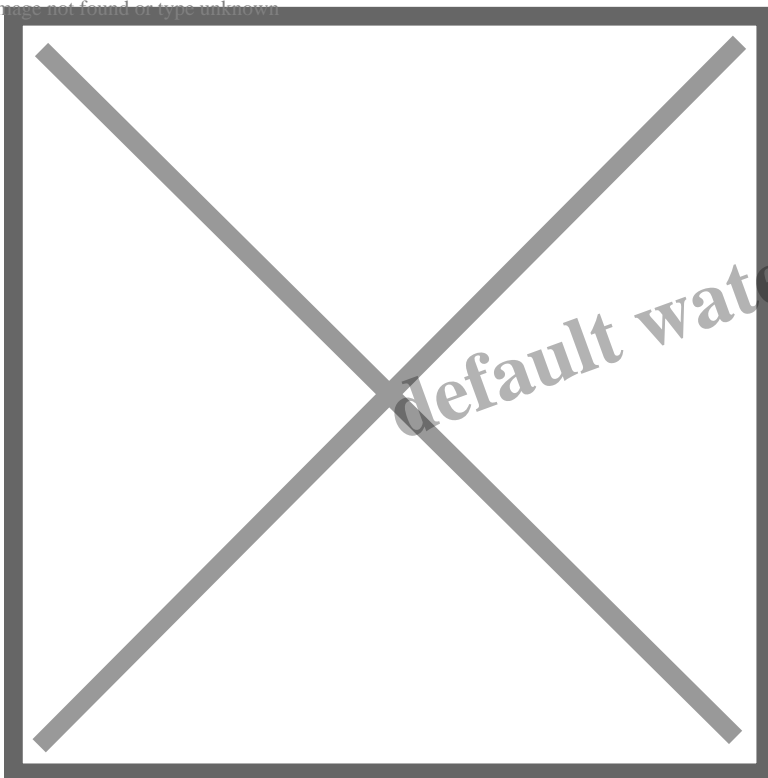

Crafted from heavy-duty eco-leather, 210D Oxford fabric, and reinforced with hard PVC inserts, this trunk organizer is designed for longevity and can endure frequent use without damage.

Secure and Non-Slip Design

Equipped with four anti-slip rubber feet, this organizer stays firmly in place while driving, ensuring your items remain secure and do not shift around.

FAQs

Does this trunk organizer slip on leather seats?

No, the rubber feet keep it stable during transit.

Can these car organizers be stacked?

No, stacking is not recommended as the sloping lid prevents stable stacking. They are best used on the trunk floor.

How should I clean this trunk organizer?

Hand wash with a damp cloth or sponge using warm water and mild detergent.
