Description

Effective Deep Tissue Massage – Anytime, Anywhere

Bid farewell to muscle tiredness and discomfort with this high-performance deep tissue percussion massage weapon. Developed for professional athletes, physical fitness lovers, and anybody looking for relief, this compact yet effective gadget provides targeted treatment with a peaceful, high-torque brushless motor. Whether you're recuperating from an extreme exercise or just require to unwind, this massage weapon offers the deep muscle relief you should have.

Adjustable Massage for each Requirement

With 6 adjustable speed levels varying from 1,496 RPM to 3,000 RPM, you can customize your massage experience to fit your convenience level. Whether you require a light massage to loosen up tight muscles or deep percussion treatment to deal with persistent knots, this massage weapon adapts to your requirements.

Target Every Muscle with 4 Interchangeable Massage Heads

- **Round Head:** Suitable for big muscle groups like the back, thighs, and calves.
- **Bullet Head:** Targets deep tissue and trigger points with accuracy.
- **Flat Head:** Perfect for relaxation and decreasing muscle tightness.
- **Fork Head:** Specifically developed for the spinal column and neck muscles.

Lasting Battery for Extended Usage

Geared up with a high-capacity 12V 2500mAh battery, this massage weapon guarantees approximately a week of usage with simply a single charge (based upon thirty minutes of everyday usage). The USB Type-C fast-charging function permits you to charge anytime, anywhere, so you're never ever left without relief.

Lightweight, Portable, and Ergonomic

Developed with benefit in mind, this portable massage weapon is compact and light-weight, making it easy to carry to the gym, office, or while traveling. It fits comfortably in your hand, ensuring effortless operation without strain. Pack it in your gym bag and enjoy instant relief whenever you need it.
