

## Dsquared² Multicolor Metal Sunglasses for Guy – Stylish & Resilient Glasses

### Description

## Raise Your Design with Dsquared² Multicolor Metal Sunglasses

Make a vibrant style declaration any place you choose the Dsquared² Multicolor Metal Sunglasses. These sunglasses are created for the contemporary male who values both design and performance. With their smooth, various colored metal frame and top quality lenses, they are ideal for including a touch of elegance to any attire. Whether you're delighting in a warm day outdoors or merely wish to update your daily appearance, these sunglasses are the perfect option.

Including a long lasting metal building and construction, these sunglasses provide a strong and light-weight fit that will keep you comfortable all day long. The **99mm lens** ensures excellent coverage and clarity, while the **grey mirror category 3 lenses** protect your eyes from harmful UV rays, making them perfect for outdoor activities, driving, or just lounging by the pool.

### Key Features:

- **Material:** Premium Metal for durability and light-weight comfort
- **Multicolor Frame:** Stylish design that complements any outfit
- **Grey Mirror Lenses:** Category 3 lenses that provide 100% UV protection
- **Lens/Bridge/Temple Measurements:** 99mm/00mm/145mm for a comfy fit

### Product Benefits:

- **Ultimate UV Protection:** The high-quality lenses shield your eyes from harmful UV rays, ensuring your vision is always protected.
- **Fashionable Design:** The multicolor frame gives a unique, stylish look, perfect for any fashion-forward individual.
- **Comfortable Fit:** Lightweight and designed for all-day wear, providing a comfortable fit without

sacrificing style.

- **Versatile Use:** Ideal for a variety of occasions, from casual outings to sunny beach days.
