Made with safe, non-toxic materials, this multifunctional chew toy is designed to provide hours of fun while keeping your dog's teeth clean and strong. Whether your pup is a powerful chewer or just loves to nibble, this toy is up for the challenge. Plus, it's not just a toy, it's a dental care solution. By using this toy, you can help prevent dental issues and keep your furry friend happy and healthy.

Product Features

- **Material:** Made from upgraded, bite-resistant TPR material and durable cotton rope.
- **Dual Function:** Acts as a chew toy and a toothbrush to clean teeth while your dog plays.
- **Sound Element:** Includes a built-in sound feature to keep your dog engaged and entertained.
- **Powerful Suction Cup:** Sticks firmly to floors for stationary play, allowing hands-free fun.
- **Size:** Perfect for indoor or outdoor use, measuring around 4-5 inches long.
- **Gentle on Gums:** The soft material massages your dog's gums while they chew.

Why You and Your Dog Will Love This Toy

- **Improves Oral Health:** This chew toy is specially designed to clean your dog's teeth, helping to remove plaque and tartar as they play. Say goodbye to dental problems!
- **Engages and Entertains:** The built-in sound feature stimulates your dog's curiosity, keeping them active and engaged for longer play sessions.
- **Prevents Destructive Behavior:** Is your dog prone to chewing on furniture or shoes? With this toy, they'll be too busy having fun to cause any damage around the house.
- **Easy to Use:** Simply press the suction cup onto a flat surface and watch your dog enjoy a fun, interactive chewing session. Perfect for both indoor and outdoor use.

- **Durable & Safe:** Made from high-quality, non-toxic materials that withstand heavy chewing without deforming or breaking. This toy is built to last!

How to Use

For best results, start by allowing your dog to play with the toy for 15 minutes a day, then gradually increase the playtime to 20-30 minutes. This will give your dog enough time to enjoy the toy while cleaning their teeth effectively. The toy is great for both indoor and outdoor use, so feel free to take it with you wherever you go!
