

## Egg Holder Organizer with Sliding Rail Shelf

### Description

## Optimize Your Refrigerator Space

Introducing the Egg Holder Organizer with Sliding Rail Shelf, the ultimate solution for efficient egg storage in your kitchen. Designed to keep your eggs safe, fresh, and easily accessible, this innovative organizer is perfect for any modern kitchen. Made from high-quality PP material, it offers a durable and practical way to store up to 30 eggs, ensuring you always have fresh eggs on hand without cluttering your refrigerator.

## Durable and Space-Saving Design

Crafted from robust PP material, this egg storage box is built to last. The multi-layer design and thickened, anti-drop construction provide superior protection for your eggs, preventing breakage and ensuring longevity. Its narrow and long box body, measuring just 33 x 7 x 18 cm, is designed to fit seamlessly into your refrigerator, utilizing the side door space to save valuable room. This means more space for your other groceries and a neatly organized fridge.

## Convenient and Efficient Egg Retrieval

The Egg Holder Organizer features a 7° slope design that allows eggs to roll forward automatically, making retrieval effortless. Say goodbye to the hassle of pulling open lids and fumbling with eggs. The rolling design ensures that the oldest eggs are used first, maintaining freshness and extending their shelf life. This smart design is not only practical but also helps reduce food waste by ensuring eggs are always at their freshest.

## Versatile and Easy to Clean

This organizer is perfect for storing various types of eggs, including chicken eggs, duck eggs, and even

century eggs. Its versatile design makes it an essential accessory for any kitchen. The smooth surface and simple construction make cleaning a breeze – just wipe it down with a damp cloth or rinse it under running water. With its safe, non-toxic materials, you can rest assured that your food is stored in a hygienic and environmentally friendly way.

## Product Benefits

- High-quality PP material for durability and safety
- 7° slope design for automatic egg rolling and easy retrieval
- Holds up to 30 eggs, maximizing storage capacity
- Space-saving design fits perfectly in refrigerator side doors
- Thickened anti-drop construction protects eggs from breakage
- Easy to clean and maintain for long-lasting use
- Suitable for various types of eggs
- Environmentally friendly and non-toxic materials

## Transform Your Kitchen Organization
