

Electric Citrus Juicer with Stainless-steel Filter and One Juicing Cone

Description

Newly Squeezed Juice within your reaches

Start your day with a burst of freshness! This Electric Citrus Juicer is the supreme tool to make your early mornings brighter with newly squeezed orange juice in seconds. With its effective 100W motor and smooth stainless-steel style, this juicer integrates design, performance, and ease. Perfect for anyone who loves fresh juice but doesn't want the hassle of traditional hand juicing methods.

Key Features

- **Powerful 100W Motor:** With a 100W motor, this citrus juicer effortlessly extracts juice from oranges, grapefruits, and other citrus fruits, giving you a refreshing drink in moments.
- **Stainless Steel Filter:** The durable stainless steel filter ensures a clean and smooth juice every time, preventing any unwanted pulp from making its way into your drink.
- **Automatic Pulp Ejection:** Say goodbye to messy pulp! The automatic pulp ejection system ensures that pulp is separated efficiently, making the juicing process cleaner and faster.
- **One Juicing Cone:** This juicer comes with a single, versatile cone that easily accommodates all types of citrus fruits, making it perfect for quick, everyday juicing.
- **Compact and Easy to Store:** With a size of 7.87 x 7.1 x 11 inches, this compact juicer is easy to store in any kitchen, whether you have a large or small countertop space.

Why Choose This Electric Citrus Juicer?

This electric citrus juicer is designed for those who want quick, convenient, and fresh juice every day. Whether you are making juice for a morning routine or hosting brunch for friends, this juicer ensures that the process is quick and easy. The powerful 100W motor provides high performance, while the stainless steel filter ensures your juice is pulp-free and smooth. The automatic pulp ejection system takes care of the mess for you, making clean-up a breeze.

The sleek and modern design fits seamlessly into any kitchen, and the 500ml capacity is just perfect for individual servings or small gatherings. With just one juicing cone, it's incredibly easy to use, making it ideal for anybody—whether you're a juicing beginner or an experienced enthusiast.

This juicer isn't just practical, it's a stylish addition to your kitchen. Its compact size makes it perfect for kitchens with limited counter space. Whether it's for a daily refreshing glass of juice or to impress your guests, this Electric Citrus Juicer is a must-have for anyone who enjoys fresh, homemade citrus juice.
