

Electric Food Cleaner 6.4Qt, 2-Tier Veggie Cleaner with Timer & Keep Warm

Description

Fresh, Flavorful, and Effortless Steaming Every Time

Enjoy healthier meals with less hassle using the Electric Food Steamer. With a generous 6.4-quart capacity and two BPA-free steam trays, this smart kitchen essential lets you prepare a complete meal in one go — from vegetables and seafood to rice and eggs. Whether you're meal prepping for the week or cooking a quick dinner for the family, this steamer is your go-to tool for effortless, nutrient-rich cooking.

Designed for modern kitchens, it features 7 smart presets to make cooking faster and easier. Whether it's tender fish, fluffy rice, or crisp-tender veggies, just choose your desired setting and let the steamer do the work. You can also manually set your own cook time between 5 to 60 minutes for custom recipes.

Efficient, Smart & Family-Sized

The 500W heating element powers up in just 8 seconds, delivering instant steam to cook your food evenly while locking in nutrients and flavor. Its compact footprint and nestable design make it ideal for small kitchens, apartments, or anyone who loves smart storage solutions. Plus, the anti-scalding handle and heat-dissipating base keep things safe and cool to the touch.

Busy day ahead? Use the 24-hour delay start function to plan your meals in advance. When the time's up, your food stays warm with the automatic keep-warm mode — ready whenever you are.
