Product Features

The wide surface area of over 1600mm comfortably accommodates six people, perfect for family meals or dinner parties. Constructed without rollers for stability, the table showcases a sleek rectangular shape and a pure colour pattern that exudes contemporary elegance. Its durable wood-based panel finish and stone/marble material ensure longevity and effortless maintenance. Moreover, it boasts a modern style that complements any home décor.

What Makes Our Table Special?

Unlike other tables, this piece is an emblem of Scandinavian design that brings both beauty and practicality to your home. It doesn't just merge with your décor; it elevates it. The absence of a turntable underscores its minimalist appeal, directing focus to the beauty of its materials and the warmth it brings to your home.

Product Benefits

- Accommodates up to six people, ideal for families or hosting guests.
- Extendable feature provides flexibility and space-saving convenience.
- Minimalist modern design enhances any home aesthetic.
- High-quality materials guarantee durability and ease of care.
