

Flat Bottom D-Shape Car Steering Wheel Cover

Description

Upgrade Your Driving Experience with a D-Shape Sport Steering Wheel Cover

Enhance your car's interior with the sleek and sporty Flat Bottom D-Shape Car Steering Wheel Cover. Designed to fit steering wheels with an outer diameter of 37-38cm (14.5" to 15"), this premium cover is made from a combination of durable carbon fiber PVC and genuine cowhide leather. Its flat-bottom design, inspired by racing wheels, not only adds a bold, stylish look but also provides a better grip for a more dynamic driving experience. Whether you're navigating city streets or cruising on the open road, this cover offers exceptional comfort, control, and protection for your steering wheel.

The anti-slip rubber inner ring ensures that the cover stays securely in place while driving, while the breathable leather offers all-season comfort. Built to be wear-resistant, it provides long-lasting durability and protects your steering wheel from scratches, wear, and tear. This steering wheel cover is the perfect blend of style and functionality, making it a great upgrade for both men and women who want to add a sporty edge to their vehicle's interior.
