- **Spacious Interior** allows your cat to turn around comfortably, bidding farewell to cramped spaces.
- **Simple Assembly & Disassembly**, perfect for space-saving storage.
- **Optimized Litter Holes** prevent litter spillage when your cat exits.

Why Choose Our Litter Box?

Designed for medium to large cats, this litter box is ideal for pet owners who value cleanliness and odor control. Its large space ensures your cat's comfort, while the drawer-style tray simplifies cleaning. The inclusion of a scoop with a hanging hook and a filter foam for odor filtration makes maintenance a breeze. Its easy-to-assemble feature ensures that it's not only space-saving but also convenient for

any living situation.

Perfect For

This litter box is best used in homes where space is at a premium and cleanliness is a priority. It's suitable for cats under 6kg/13.2lbs, providing a comfortable and spacious area for them to do their business without making a mess outside the box. Its elegant gray color complements any home decor, seamlessly blending functionality with style.

What Makes It Special?

Our Foldable Top-Entry Cat Litter Box is not just another litter box; it's a comprehensive solution designed to enhance the litter box experience for you and your cat. The combination of its anti-splash design, odor-control features, and user-friendly maintenance makes it a standout product. It's easy to clean, helps in reducing litter tracking, and contains odors effectively, making it a special addition to your cat care essentials.
