### Description

## Stylish & Protective – Timberland Women's Polarized Sunglasses

Upgrade your eyewear with the **Timberland Women's Polarized Sunglasses**, designed for modern women who value both style and performance. These sleek sunglasses feature a sophisticated gray frame, a perfect match for any outfit, whether casual or elegant. With their **polarized lenses and Protection 3 rating**, they provide superior eye protection while ensuring maximum comfort throughout the day.

### Lightweight & Durable Frame

Made from a blend of **high-quality plastic and metal**, these sunglasses offer the perfect balance between durability and lightweight comfort. The sturdy construction ensures they withstand daily wear, while the refined design provides a comfortable and secure fit. The measurements of 2.05 inches (lens width), 0.79 inches (bridge width), and 5.51 inches (temple length) make them a great fit for most face shapes.

### Polarized Lenses for Enhanced Vision

Equipped with **polarized lenses and Protection 3**, these sunglasses effectively reduce glare, enhance clarity, and minimize eye strain. Whether you're driving, walking on the beach, or enjoying outdoor activities, they ensure a crystal-clear vision while shielding your eyes from harmful sun rays.

## Why Choose Timberland Women's Sunglasses?
