Discover Timeless Design with Forest Sun Glasses

Raise your outside experiences and daily appearance with the **Forest Sunglasses**. Crafted for the modern-day male who values design, convenience, and performance, these sunglasses offer the perfect blend of classic design and advanced performance. Whether you're cruising down the highway or exploring the great outdoors, these sunglasses will keep you looking sharp and protected from the sun's harmful rays.

Key Features

- **Material:** High-quality metal frame for a sleek, lightweight feel
- **Lens:** Grey UV 3 filter lenses for superior sun protection
- **Size:** 58mm lens, 16mm bridge, and 140mm temples for a comfortable fit

With its stylish metal frame and grey lenses, the **Timberland Sunglasses** deliver both aesthetics and functionality. These sunglasses are designed with a UV 3 filter, offering you robust protection against the sun's harmful rays, making them perfect for daily wear or outdoor activities. The carefully crafted 58mm lens size, paired with a 16mm bridge and 140mm temples, ensures a comfortable fit for most face shapes and sizes, so you can wear them all day without discomfort.

Why Choose Timberland Sunglasses?

Whether you're headed to the beach, a hike in the mountains, or simply running errands around town, these sunglasses are your perfect companion. Their durable metal frame makes them resistant to daily wear and tear, while the sleek design adds a touch of sophistication to any outfit. The grey UV 3 filter lenses are ideal for bright, sunny days, providing you with crystal-clear vision and all-day comfort. Plus, the timeless design ensures you'll never have to worry about them going out of design.

Product Benefits
