Description

Product Overview

Elevate your style and protect your eyes with the Timberland Men's Sunglasses. Designed for the modern man, these sunglasses combine high-end functionality with a sleek and stylish aesthetic. Featuring a bold black resin frame and mirrored gray lenses, these sunglasses offer both a statement piece and practical UV protection. Whether you're lounging by the pool, driving on a sunny day, or just enjoying the outdoors, these sunglasses provide clear vision and a comfortable fit for all-day wear.

Key Features

- **High-Quality Resin Frame:** Crafted from durable and lightweight resin, the frame ensures long-lasting comfort while maintaining a stylish, modern appearance.
- **Mirror Gray Lenses:** The mirror gray lenses offer a sleek, contemporary look while reducing glare, ensuring you can enjoy clear, sharp vision even in bright sunlight.
- **UV Filter 3 Protection:** Offering UV filter category 3 protection, these sunglasses shield your eyes from harmful UV rays, making them ideal for outdoor activities.
- **Comfortable Fit:** With lens dimensions of 61mm, a bridge width of 16mm, and temple length of 140mm, these sunglasses are designed for a comfortable fit on most face shapes.
- **Versatile Design:** The classic black frame paired with the stylish gray mirrored lenses makes these sunglasses a versatile accessory that complements any casual or semi-formal look.

When is it Best Used?

The Timberland Men's Sunglasses are perfect for all your outdoor adventures. Whether you're driving, relaxing at the beach, or simply walking around town on a bright day, these sunglasses offer exceptional eye protection and a fashionable design. The UV filter 3 protection ensures your eyes stay shielded from harmful sun rays, while the mirror gray lenses reduce glare, making them perfect for bright environments.

What Makes These Sunglasses Special?

The Timberland Men's Sunglasses are not only practical but also a stylish addition to your accessory collection. What makes them stand out is their blend of high-quality materials and sophisticated design. The resin frame is lightweight yet durable, ensuring long-lasting comfort, while the mirror gray lenses add a touch of modern flair. These sunglasses offer more than just style – with UV filter category 3 protection, they ensure your eyes are safeguarded from harmful UV rays, making them a must-have for anyone who spends time outdoors.
