

Forest Male's Tortoise Polarized Sun glasses

Description

Timberland Men's Polarized Sunglasses – Where Style Meets Function

Make a statement with the Timberland Men's Polarized Sunglasses, designed for men who value both elegance and practicality. Featuring a sleek golden metal frame and high-performance lenses, these sunglasses offer a bold, modern look while providing superior eye protection. Whether you're driving, traveling, or enjoying outdoor activities, these sunglasses will keep your vision clear and comfortable.

Premium Metal Frame & Elegant Design

Crafted from durable metal, the golden frame is lightweight yet sturdy, ensuring long-lasting comfort and resilience. The sophisticated design adds a touch of class to any outfit, making these sunglasses perfect for both casual and formal occasions. With a lens width of 2.6 inches, a bridge width of 0.63 inches, and a temple length of 4.72 inches, they offer a comfortable and secure fit.

Polarized Lenses with UV Protection

Protect your eyes from glare and harmful UV rays. These sunglasses feature **polarized lenses** that reduce reflections from roads, water, and glass, providing sharper contrast and improved clarity. The **UV Filter 2** ensures your eyes are shielded from harmful sun exposure, making them ideal for long hours in bright conditions.

Why Choose Timberland Men's Polarized Sunglasses?

- **Polarized Lenses:** Reduce glare and improve visual comfort in bright environments.
- **Golden Metal Frame:** A stylish and durable design that complements any look.

- **UV Protection:** Shields your eyes from harmful UV rays, reducing strain and damage.
- **Lightweight & Comfortable:** Designed for a secure and easy fit, perfect for all-day wear.
- **Versatile & Stylish:** Ideal for driving, outdoor adventures, and everyday use.

The Perfect Accessory for Every Occasion

Whether you're hitting the open road, relaxing by the beach, or exploring the city, these Timberland sunglasses provide the ideal mix of fashion and functionality. The premium materials and high-performance lenses make them an essential accessory for any modern man.
