Description

Timberland Men's Polarized Sunglasses – Modern Design & Maximum Eye Protection

Step up your eyewear game with the Timberland Men's Polarized Sunglasses, designed for those who appreciate both function and style. Featuring a sleek transparent frame and high-performance gray lenses, these sunglasses offer a unique, modern look while providing superior sun protection. Whether you're driving, hiking, or spending a day by the water, these sunglasses ensure clear vision and all-day comfort.

Lightweight & Stylish Transparent Frame

Crafted from high-quality plastic, the frame is **lightweight yet durable**, making it perfect for long hours of wear. The transparent design gives a fresh, contemporary look that pairs effortlessly with any outfit. With a lens width of 2.44 inches, a bridge width of 0.67 inches, and a temple length of 4.92 inches, these sunglasses provide a secure and comfortable fit.

Polarized Lenses with UV 3 Protection

Protect your eyes from harsh sunlight and glare with **polarized lenses**. They reduce reflections from roads, water, and glass, ensuring sharp and clear vision in bright conditions. The **UV 3 filter** blocks harmful UVA and UVB rays, helping to prevent eye strain and long-term damage. Whether you're on an adventure or just out for a casual day, these sunglasses keep your eyes safe and comfortable.
