

Forest Polarized Shades for Guys

Description

Product Overview

Step up your style and protect your eyes with the **Timberland Polarized Sunglasses for Men**. Designed to combine high-performance features with a sleek design, these sunglasses are perfect for outdoor enthusiasts and fashion-forward individuals alike. Featuring a durable **plastic and metal frame** in a rich brown color, these sunglasses offer both style and substance. The **polarized lenses** provide superior clarity, while the **Protection 3** rating ensures optimal protection from harmful sun rays, making them the perfect choice for bright days.

Key Features

- **Lens/Bridge/Temple Size:** 56mm/17mm/145mm – a perfect fit for most face shapes, offering comfort and style.
- **Material:** High-quality plastic and metal construction ensure durability without sacrificing comfort.
- **Color:** Brown frame with neutral, polarized lenses that provide a sophisticated, timeless look.
- **Polarized Lenses:** Reduce glare, improve contrast, and provide superior visual clarity in bright conditions.
- **Protection 3:** Offers high-level protection from the sun’s harmful UV rays, ensuring your eyes are safeguarded during outdoor activities.

Why You Need the Timberland Polarized Sunglasses

The **Timberland Polarized Sunglasses** are more than just a stylish accessory – they’re built to perform. Whether you’re hiking through nature, cruising down the highway, or enjoying a sunny day out, these sunglasses will keep your vision sharp and your eyes protected. The **polarized lenses** reduce glare, giving you a clearer view even in the brightest light, while the **Protection 3** rating ensures your eyes are shielded from harmful UV rays.

Designed with a **plastic and metal frame**, these sunglasses offer both strength and flexibility. The **brown color** provides a versatile, understated look that pairs effortlessly with any outfit, making them suitable for a wide range of activities and occasions. With a lens size of 56mm, bridge size of 17mm, and temple length of 145mm, these sunglasses offer a comfortable fit for most face shapes, so you can wear them all day without discomfort.

Benefits of Timberland Polarized Sunglasses

- **Enhanced Comfort:** The combination of plastic and metal materials provides a lightweight yet sturdy frame for long-lasting wear.
- **Clearer Vision:** Polarized lenses improve contrast and reduce glare, making them ideal for driving, outdoor sports, and sunny days.
- **Stylish and Versatile:** The brown frame pairs well with any wardrobe, ensuring you look great wherever you go.
- **Eye Protection:** With Protection 3, these sunglasses offer exceptional UV protection to keep your eyes safe and healthy in the sun.
- **Durability:** Built with high-quality materials, these sunglasses are made to last through all of your adventures.

Perfect for Every Occasion

Whether you're spending the day at the beach, hiking in the mountains, or simply enjoying a sunny afternoon, the **Timberland Polarized Sunglasses** are the ideal companion. Their combination of comfort, protection, and style makes them suitable for a variety of outdoor activities. The polarized lenses ensure clear vision, while the sturdy yet lightweight frame means you can wear them all day without any discomfort.

Upgrade your eyewear collection with the **Timberland Polarized Sunglasses** today and experience the perfect mix of fashion and function. Don't settle for less when it comes to protecting your eyes – choose Timberland for all your outdoor adventures.
