

Forest Unisex Polarized Silver Sun Glasses with Defense 3

Description

Product Overview

Make a bold style statement with the **Timberland Unisex Polarized Silver Sunglasses**. Designed for both men and women, these sunglasses feature a sleek **silver plastic and metal frame**, offering a contemporary and chic look that's perfect for any outdoor occasion. The **polarized lenses** reduce glare, making them ideal for bright days on the beach, long drives, or any sunny outdoor adventure. With **Protection 3**, these sunglasses provide superior UV protection to keep your eyes safe while maintaining a high-fashion edge.

Key Features

- **Frame Material:** Durable plastic and metal frame in a modern silver color, offering both strength and style.
- **Lenses Material:** Polarized plastic lenses designed to enhance clarity and reduce glare in bright sunlight.
- **Filter Category:** Category 3 lenses, providing high-level protection for sunny conditions.
- **Protection:** 100% UVA & UVB protection to safeguard your eyes from the sun's harmful rays.
- **Frame Dimensions:** 60mm lens width, 17mm bridge width, and 140mm temple length, designed for a comfortable and secure fit.

Why You Need These Sunglasses

The **Timberland Unisex Polarized Silver Sunglasses** are more than just a practical accessory; they're a fashion-forward statement. The **silver frame** provides a clean, sleek look that pairs effortlessly with any outfit, whether you're in casual attire or dressing up for a special occasion. These sunglasses are designed to enhance your experience by improving visual clarity with their **polarized lenses**, which reduce glare and offer clearer vision even in the brightest conditions.

With a **lens width of 60mm**, **bridge width of 17mm**, and **temple length of 140mm**, these sunglasses provide a comfortable fit that suits most face shapes. Their **Protection 3** rating makes them perfect for long hours spent outdoors in direct sunlight, ensuring your eyes are protected from harmful UV rays while still looking stylish.

Benefits of Timberland Polarized Sunglasses

- **Polarized Lenses:** The polarized lenses eliminate glare, improving vision and comfort, particularly in bright, reflective environments.
- **Modern Design:** The **silver frame** adds a touch of elegance, making these sunglasses the perfect accessory for any occasion.
- **Full Protection:** With **Protection 3** lenses, your eyes will be shielded from harmful UV rays, ensuring long-term eye health.
- **All-Day Comfort:** The well-balanced frame dimensions make these sunglasses comfortable for extended wear without feeling heavy or tight.
- **Durability:** Made from high-quality plastic and metal, these sunglasses are designed to withstand daily use while maintaining their stylish appearance.

Perfect for Any Occasion

Whether you're driving on a sunny day, enjoying outdoor activities, or simply looking for a chic accessory to complete your look, the **Timberland Unisex Polarized Silver Sunglasses** are the perfect addition to your wardrobe. Their **modern design** and superior lens technology make them versatile enough for both casual and formal settings, offering a stylish solution for all your sun-filled adventures.

Enhance your outdoor experience and upgrade your style with the **Timberland Unisex Polarized Silver Sunglasses**. Experience the perfect combination of fashion, comfort, and eye protection in one sleek package.
