

## High-end Lichee Texture Leather Case with MagSafe for iPhone 15/16 Series

### Description

## Premium Security Fulfills Everyday Beauty

Offer your iPhone the design and security it should have with our High-end Lichee Texture Leather Case. Developed to match the streamlined profile of your iPhone while providing effective defense, this case is the best mix of type and function. With a matte, anti-glare surface and soft-touch lichee texture, it's not simply a case — it's an upgrade in convenience, class, and self-confidence.

This half-wrapped case is crafted from top quality silicone with an advanced leather surface, guaranteeing a safe and secure grip and a smooth, glamorous feel. It's developed to fit a wide variety of iPhones — from the iPhone 15 Pro Max to the current iPhone 16 series, consisting of the Plus and Pro Max variations. The case supports MagSafe compatibility, so charging and utilizing MagSafe devices is a breeze.

Whether you're travelling, working, or out on the town, this case is your iPhone's finest defense versus daily mishaps. It's shockproof, anti-fingerprint, anti-scratch, dustproof, and washable — whatever you require for lasting defense without bulk.
