

## High-Speed Ionic Hair Clothes Dryer with Brushless Motor & Diffuser for Smooth Hair

### Description

### Dry Faster, Design Better, Protect Your Hair

Attain salon-quality outcomes at home with this **high-speed hair clothes dryer**, developed for quick drying, smooth styling, and supreme hair defense. Including a sophisticated **102,000 RPM brushless motor**, this clothes dryer provides effective air flow as much as **480 ft/min**, reducing drying time while reducing heat damage. Whether you require a fast blowout or a comprehensive design, this hair clothes dryer is your go-to for daily hair care and professional-level outcomes.

### Advanced Innovation for Healthier, Easier Hair

Instilled with **200 million unfavorable ions**, this clothes dryer actively minimizes frizz, tames fixed, and locks in wetness, leaving your hair smooth and glossy. The integrated **self-cleaning function** guarantees a cleaner air flow by instantly getting rid of dust and particles, extending the life expectancy of your clothes dryer while keeping peak efficiency.

### Completely Adjustable for each Hair Type

Whether you have great, thick, directly, or curly hair, this clothes dryer adapts to your styling requires. Select from **3 heat settings (cool/warm/hot)**, **2 air flow speeds**, and a **cold-hot wind biking mode** for overall control. The **360° rotatable magnetic nozzle** permits targeted drying, while the **diffuser accessory** improves curls for a large, frizz-free surface.

### Peaceful, Light-weight, and Travel-Friendly

Created for convenience, this **light-weight hairdryer** weighs simply **1.5 pounds**, making it simple to

deal with throughout styling. Running at **low sound levels (76dB or less)**, it guarantees a tranquil drying experience without troubling others. Its compact size makes it best for both home usage and travel, so you can preserve perfect hair anywhere you go.

## When to Utilize This Hair Clothes Dryer?

- After showers for fast, even drying
- Before styling to smooth and prep hair
- To revitalize second-day hair with cool air
