

## Hugo Manager Red Acetate Women's Sun glasses

### Description

## Trendy and Vibrant: Hugo Boss Red Acetate Sunglasses for Women

Make a statement with every step you take. These **Hugo Boss Red Acetate Sunglasses** are the perfect blend of fashion-forward design and practical protection. Whether you're heading to the beach or strolling through the city, these sunglasses will elevate your look while keeping your eyes safe. Designed for the modern woman who appreciates both style and substance, these sunglasses are the ultimate accessory for any occasion.

The **Hugo Boss Red Acetate Sunglasses** are crafted from high-quality acetate, offering a sleek and durable frame that adds a vibrant touch to your accessories collection. The rich red color is bold yet versatile, making these sunglasses perfect for pairing with both casual and more formal outfits. With a frame size of 56mm for the lens, a 17mm bridge, and 140mm temples, they provide a comfortable fit for most face shapes. Best of all, the 100% UV protection ensures that your eyes are shielded from harmful rays while you're out and about.
