

Interactive Flapping Duck Cat Toy – Rechargeable, Washable, with Catnip & Vibration Sensor

Description

Bring Your Cat Endless Fun and Excitement with the Interactive Flapping Duck Cat Toy

Keep your cat entertained for hours with this interactive Flapping Duck Cat Toy! Designed to mimic the sound and movement of a real chick, this vibrating, sound-activated toy engages your cat's natural hunting instincts. It's not just cute – it's durable, lightweight, and made from soft, plush polyester that's safe for your furry friend. With its smart vibration sensor, the toy flaps and squeaks when touched, making it an irresistible game for curious cats.

This toy is perfect for both kittens and adult cats who need mental and physical stimulation. Whether your cat is home alone or just needs a fun way to burn off some energy, the Flapping Duck Cat Toy is here to help. The toy is also washable, with a removable cover, ensuring it stays clean and hygienic for your pet's health. And with the added bonus of catnip, it will become your cat's new favorite companion. Plus, it's rechargeable with a convenient Type-C charging port, meaning you can use it over and over again without worrying about batteries.
