

Jimmy Choo Women's Black Feline Eye Shades with Polarized Lenses

Description

Item Summary

Enter a world of beauty and elegance with the **Jimmy Choo Women's Black Feline Eye Shades**. Created for the contemporary female who looks for a best mix of high-end and usefulness, these sunglasses are an essential device. The strong **cat-eye style** provides a classic, lovely shape, while the **black metal frame** includes an aspect of streamlined elegance. The **polarized black lenses** lower glare and supply optimum security, making them perfect for both style and function. Whether you're walking through the city or relaxing by the beach, these sunglasses provide the best mix of design and security for your eyes.

Secret Functions

- **Frame Product:** Top quality metal frame in a traditional black color, guaranteeing resilience and convenience.
- **Lenses Product:** Plastic lenses that supply a light-weight feel while providing long lasting resilience.
- **Lenses Color:** Black polarized lenses, created to lower glare and boost visual clearness in intense conditions.
- **Filter Classification:** Classification 3 lenses for optimum security in intense sunshine, best for outside activities.
- **Security:** 100% UVA & UVB security to protect your eyes from damaging rays.
- **Frame Measurements:** 57mm lens width, 50mm lens height, 16mm bridge width, and 145mm temples length for a comfy and safe and secure fit.

Why You Need These Sunglasses

The **Jimmy Choo Women's Black Cat Eye Sunglasses** offer more than just eye protection; they are

a statement of style. The **cat-eye frame** provides a flattering and fashionable look that suits most face shapes, adding a touch of vintage glamour with a modern twist. Perfect for women who love bold designs, these sunglasses will instantly elevate any outfit, whether you're at a formal event or enjoying a casual day out.

With **polarized black lenses**, these sunglasses protect your eyes by minimizing glare from reflective surfaces like water or pavement, ensuring you can enjoy a clearer, more comfy view. The **100% UVA & UVB protection** ensures your eyes are safe under the sun's harsh rays. These sunglasses offer a perfect fit with a **57mm lens width**, **50mm lens height**, and **16mm bridge width**, allowing you to wear them all day with ease.

Benefits of Jimmy Choo Feline Eye Shades

- **Timeless and Elegant Design:** The **cat-eye shape** adds instant sophistication and femininity to any outfit.
- **Enhanced Vision:** **Polarized lenses** reduce glare, improving visual comfort and clarity in bright conditions.
- **Comfortable and Secure Fit:** With a **16mm bridge width** and **145mm temples length**, these sunglasses provide a snug and comfortable fit that stays in place throughout the day.
- **Superior Protection:** 100% UVA & UVB security ensures your eyes are shielded from harmful sun exposure.
- **Durability:** Crafted with a high-quality metal frame and sturdy lenses, these sunglasses are built to last.

Perfect for Any Occasion

Whether you're attending a glamorous outdoor event, enjoying a sunny day at the beach, or running errands around town, the **Jimmy Choo Women's Black Cat Eye Sunglasses** are perfect for any occasion. Their **bold, stylish design** pairs effortlessly with both casual and dressy looks, making them a versatile addition to your wardrobe. The **polarized lenses** ensure your vision stays sharp and clear, while the **100% UVA & UVB protection** keeps your eyes safe under the sun.

Don't miss out on these chic and practical sunglasses. Add the **Jimmy Choo Women's Black Cat Eye Sunglasses** to your collection and enjoy the perfect mix of luxury, protection, and undeniable design.
