

Kid's Swim Safety Vest

Description

Swimming Safely

Introducing the ultimate swim companion for your little one! Our Kid's Swim Safety Vest is designed to make learning to swim fun, safe, and comfortable. Ideal for a variety of water settings from pools to lakes, this vest is a must-have for any young swimmer's aquatic adventures.

Key Features

This inflatable vest is packed with features designed for water safety and ease of use:

- Durable, high-quality environmental PVC material that's soft to the touch.
- Adjustable design to fit children weighing up to 88 lbs and ranging from 35.4 to 59 inches in height.
- Lightweight construction, weighing just about 0.44 lbs, ensures comfort and freedom of movement.
- Bright, attractive color for high visibility in water.

Unique Benefits

Enhance your child's swimming experience with these standout benefits:

- **Boosts Confidence:** Helps children learn to swim by providing the right amount of buoyancy to practice strokes safely.
- **Versatile Use:** Perfect for any aquatic environment including pools, lakes, and at the beach.
- **Enhanced Safety:** Made from non-phthalate material ensuring it's safe for your child's skin and health.
- **Easy to Use:** Inflates and deflates quickly, making it convenient for travel and storage.

When Best Used

Our swim vest is ideal for use under adult supervision in shallow waters where your child is just learning to swim or improving their swimming skills. It's perfect for pool parties, vacations by the lake, or beach days!

What Makes This Vest Special?

What sets our Kid's Swim Safety Vest apart is its combination of safety, comfort, and user-friendly design. Unlike traditional life jackets, our inflatable vest allows for more natural movement in the water, making it easier for children to learn swimming techniques effectively and safely.
